PREAMBLE:

This Declaration of Covenants, Conditions, and Restrictions is made on the 1ST day of February, 2013 at Plano, Texas, by Medina Villas LLC, a Texas limited liability company (the "Declarant"), whose mailing address is 1625 Ferris Road, Garland, Texas 75044.

RECITALS:

WHEREAS, Declarant is the owner of all that certain real property ("the Property") located in Plano, Collin County, State of Texas, described as Lot 1 thru 26, Block A, and Lots 1 thru 19, Block B, an Addition to the City of Plano, Collin County, Texas, as shown the Plat defined in this Declaration and attached and incorporated by this reference as Exhibit "A".

WHEREAS, Declarant desires to provide for, among other matters, the preservation of the values and amenities in said community and to provide for the maintenance of the perimeter wall to be located on a portion of the northern line of the Property, defined in this Declaration, and improvements identified on the Plat attached as Exhibit "A;" and

WHEREAS, Declarant has devised a general plan for the entire Property as a whole, with specific provisions for particular parts and parcels of the Property. This general plan provides a common scheme of development designed to protect and safeguard the Property over a long period for the benefit of the community.

WHEREAS, this general plan will benefit the Property in general, the parcels and lots that constitute the Property, the Declarant, and each successive owner of an interest in the Property.

THEREFORE, in accordance with both the doctrines of restrictive covenant and implied equitable servitude, the Declarant desires to restrict the Property according to these covenants, conditions, and restrictions in furtherance of this general development plan. Further Declarant will cause to be incorporated under the laws of the State of Texas a nonprofit association for the purpose of effecting the interest and objectives herein set forth.

NOW, THEREFORE, it is declared that all of the Property, including the perimeter wall to be located on a portion of the northern line of the Property, shall be held, sold, and conveyed subject to all of the following easements, restrictions, covenants, and conditions (hereinafter referred to as "Covenants").

ARTICLE 1
DEFINITIONS

1.01 ACC
"ACC" means the Architectural Control Committee established in this Declaration.

1.02 Assessment
"Assessment" means any amount due to the Association by a Member or levied against a Member by the Association under this Declaration.

1.03 Association
"Association" means an incorporated association consisting of all Owners, which shall have the duty of maintaining, operating, and managing the perimeter wall to be located along a portion of the northern line of the Property as provided in this Declaration. The Association shall have the right of administering and enforcing the Covenants and Restrictions. Each Owner shall become a member of the Association contemporaneously with acquiring a Lot, without any further documentation of any kind. The Association shall commence on the date the Covenants and Restrictions are recorded, and operate unincorporated until such time as Declarant shall determine incorporation is required and such shall be incorporated as a non-profit under the laws of the State of Texas.

1.04 Board
"Board" means the Board of Directors of the Association (hereinafter the "Board").

1.05 Covenants
"Covenants" means the covenants, conditions, and restrictions contained in this Declaration.

1.06 Declarant
"Declarant" shall mean and refer to Medina Villas, LLC ("Medina Villas") and its successors and assigns. No person or entity purchasing one or more Lots from Medina Villas in the ordinary course of business shall be considered the "Declarant".

1.07 Lot
"Lot" means any of the plots of land shown on the Plat on which there is or will be built a single family dwelling.

1.08 Member
"Member" means Owner of a Lot.

1.09 Owner
"Owner"' means every record Owner of a fee interest in a Lot.

1.10 Plat

"Plat" means the Final Plat of Medina Villas filed and recorded under Recording No. 20121207010003110 of the Official Public Records of Collin County, Texas, and any replat of or amendment to the Plat made in accordance with this Declaration, duly approved by the City of Plano and recorded in the Official Public Records of Collin County, Texas, said Plat being attached and incorporated herein as Exhibit "A".

1.11 Property

"Property" shall mean and refer to all existing properties as are subject to this Declaration as described on the Plat attached as Exhibit "A".

1.12 Residence

"Residence" means a detached building designed for and used as a dwelling by a Single Family and constructed on one or more Lots.

1.13 Single Family

"Single Family" means a group of individuals related by blood, adoption, or marriage or a number of unrelated roommates not exceeding the number of bedrooms in a Residence.

1.14 Structure

"Structure" means any improvement on a Lot (other than a Residence), including a sidewalk, driveway, fence, wall, tennis court, swimming pool, accessory building, or recreational equipment.

ARTICLE 2
ARCHITECTURAL CONTROL

2.01 Architectural Control Committee

Declarant shall designate and appoint an Architectural Control Committee (the "ACC") consisting of not less than three (3) natural persons, which shall serve at the sole discretion of the Declarant. After the Declarant no longer owns any undeveloped Lot, the ACC shall serve at the sole discretion of the Board. Until such time as the three natural persons are designated as members of the ACC, Sammy Jibrin, shall act as the representative of the ACC. At such time as all three natural persons are designated, Sammy Jibrin shall be relieved of this responsibility.

2.02 Approval of Plans and Specifications

The ACC must review and approve in writing all of the following projects on the Property:

(a) Construction of any building, fence, wall, or other structure.

(b) Any exterior addition, change, or alteration in any building, fence, wall, or other structure.

(c) Any landscaping or grading of any Lot or Lots, including the removal of any type of landscaping.

2.03 Application for Approval

To obtain approval to do any of the work described in Paragraph 2.02, an Owner must submit an application to the ACC showing the plans and specifications for the proposed work. Such plans and specifications shall detail the nature, shape, height, materials, colors, and location of the proposed work.

2.04 Standard for Review; Committee's Decision

2.04.1 The ACC shall review applications for proposed work in order to (1) ensure conformity of the proposal with these Covenants and Restrictions and (2) ensure harmony of external design in relation to surrounding structures and topography. An application can be rejected for providing insufficient information. The ACC shall have broad, discretionary authority to interpret and apply these standards. In rejecting an application, the ACC should detail the reasons for rejection and suggest how the applicant could remedy the deficiencies. The ACC may publish and promulgate architectural standards bulletins; such bulletins shall supplement these Covenants and are incorporated herein by reference.

2.04.2 No member of the ACC shall be liable to any Owner for any claim, cause of action or damages arising out of the denial of any submittal or grant of any deviation to an Owner. The grant of a deviation to any Owner shall not be deemed a waiver of the ACC's right to enforce the Declaration and the architectural standards provided herein with regard to any other Owner.

2.05 Failure of Committee to Act

If the ACC fails either to approve or reject an application for proposed work within thirty (30) days after submission, then ACC approval shall be presumed.

2.06 Variances

The ACC may, in its sole discretion, permit Owners to construct, erect, or install improvements which vary from the architectural standards, these Covenants, or previously published architectural bulletins which are provided in this Declaration or which may be promulgated in the future. Each request for a variance shall be reviewed separately and apart from other such requests, and grant of any variance to any Owner does not constitute a waiver by the ACC to strictly enforce the Covenants and architectural standards against any other Owner.

2.07 Release of Liability

Neither Declarant, nor the Association, nor the Board, nor the ACC, nor the officers, directors, managers, members, employees and agents of any of them, shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of a Lot affected by these restrictions by reason of a mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. No approval of plans and specifications and no publication of any Master or Subdivision Design Guidelines, architectural bulletins or lot

information sheets shall be construed as representing or implying that such plans, specifications, guidelines, bulletins or sheets will, if followed, result in properly designed improvements and improvements built in a good and workmanlike manner or improvements which are in compliance with applicable building codes. Every person who submits plans or specifications, and every Owner of each and every Lot, agrees that he will not bring any action or suit against Declarant, the Association, the Board, the ACC, or the officers, directors, managers, members, employees and agents of any of them, to recover any such damages, and waives and releases all claims, demands and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance, and waives provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

ARTICLE 3
EXTERIOR MAINTENANCE

3.01 Exterior Maintenance

If the Owner of any Lot fails to maintain the premises, including all landscaping, the Residence, and all approved structures, in a neat, well-maintained, attractive manner, the Declarant, ACC, or the Association shall have the right to enter the Lot to repair, maintain, and restore the Lot, including landscaping, the exterior of any building, and other improvements located on the Lot, all at the expense of the Owner.

ARTICLE 4
USE RESTRICTIONS AND ARCHITECTURAL STANDARDS

4.01 Residential Use Only

All Lots shall be used for single-family residential purposes only.

4.02 Type of Buildings Permitted

4.02.1 Only one single-family residence is permitted on any given Lot which shall not exceed two (2) stories in height, with a private enclosed garage(s) for at least two (2) and not more than three (3) automobiles. However, no building or structure on any Lot shall exceed, in height, the maximum height allowed by the City of Plano, such height to be measured and determined in accordance with the method approved by the City of Plano.

4.02.2 Accessory buildings are also permitted subject to zoning regulations. All accessory buildings, excluding greenhouses and playground equipment, shall be constructed of the same palette of materials as the primary exterior materials of the residence. Total building square footage for accessory buildings shall not exceed one thousand (1,000) square feet. Tool sheds are prohibited. All such

structures shall be within the boundaries of the specific lot, not in sight visually from the front of any lot.

4.03 Minimum Lot Area

Each Lot shall be a minimum of six thousand (6,000) square feet and the average lot size shall be at least six thousand (6,000) square feet. No Lot shall be resubdivided. However, Declarant reserves the right, at any time, upon the joinder and consent of the appropriate county and/or municipal authorities, and with the joinder and consent of the directly affected Lot Owners, to file a replat of the Plat to effect a resubdivision or reconfiguration of any Lot then owned by Declarant, so long as such replat results in each resubdivided Lot containing not less than the minimum lot size prescribed by the City of Plano Comprehensive Zoning Ordinance, as applicable. Lot Owners shall not unreasonably withhold or delay their joinder in or consent to the replat or amendments to the Plat.

4.04 Minimum Floor Space

All floor areas referenced below are for air-conditioned floor area, exclusive of porches, garages, breeze ways and servants' quarters. Each residence shall contain a minimum of twenty-five hundred (2,500) square feet.

4.05 Lot Dimensions, Setback Requirements, and Building Location

4.05.1 Each Lot shall have a minimum front yard setback of twenty-five feet (25') measured from the property line adjacent to the private street, subject to exception in the City of Plano ordinances.

4.05.2 The interior side setback for all Lots other than corner lots shall be no greater than ten feet (10'). At a minimum, these Lots other than corner lots shall have a minimum side yard of six feet (6') or ten percent (10%) of the lot width, whichever is greater, subject to exception in the City of Plano ordinances. The interior side setback for all corner lots shall be fifteen feet (15') on the street side, subject to exception in the City of Plano ordinances.

4.05.3 Each Lot shall have a minimum rear yard setback of ten feet (10'), subject to exception in the City of Plano ordinances.

4.05.4 Minimum depth of a Lot shall be eighty-nine feet (89'), subject to exception in the City of Plano ordinances.

4.005.5 Minimum width of all Lots other than corner lots shall be fifty-five feet (55'). Minimum width of all corner lots shall be sixty feet (60').

4.06 Easements

Easements for the installation and maintenance of utilities and drainage facilities are reserved as shown on the Plat.

4.07 Noxious or Offensive Activities Prohibited

No noxious or offensive activity shall be conducted on any Lot that may be or may become an annoyance or nuisance to the neighborhood.

4.08 Prohibited Residential Uses

No structure not approved for residential use by the ACC, including but not limited to trailers, mobile homes, motor homes, basements, tents, shacks, garages, and other accessory structures, shall be used on any Lot at any time as a residence, either temporarily or permanently.

4.09 Signs

4.09.1 No signs of any type shall be allowed on any Lot except one sign of not more than five square feet advertising the property for sale or rent. Signs displaying the name of a security company are authorized with the approval of the ACC.

4.09.2 Declarant shall have the right, during the initial sale of Lots, to construct and maintain signs advertising the sale of Lots, which signs shall include notice in a prominent place that a property owners' association has been established and membership is mandatory for all Lot Owners. The notice shall state at a minimum that, upon request, the association documents and a five-year projection of dues, income and association expense will be provided.

4.10 Oil and Water Development and Mining Prohibited

No oil well or water well drilling, development, or refining, and no mineral quarrying or mining operations of any kind shall be permitted on any Lot. No oil well, tank, tunnel, mineral excavation, or shaft shall be permitted on any Lot. No derrick or other structure designed for use in boring for oil, natural gas, or other minerals shall be erected, maintained, or permitted on any Lot.

4.11 Trash and Garbage; Storage

4.11.1 No Lot shall be used or maintained as a dumping ground for trash or garbage. All garbage and other waste shall be kept in sanitary containers in compliance with standards set forth by the City of Plano. All trash receptacles stored outside shall be screened by a minimum six-foot-high masonry enclosure compatible in color with the main structure. There shall be no burning or incineration of trash, garbage, leaves, brush, or other debris.

4.11.2 Outdoor storage, which must be approved by the ACC, shall not be located within required setbacks or in front of any building, and shall be screened from the view of any adjacent public street or adjacent property by a solid masonry wall of not less than six feet (6') in height measured at the highest finished grade.

4.12 Sewage Disposal

No individual sewage-disposal system shall be permitted on any Lot unless the system is designed, located, and constructed in accordance with the requirements, standards, and recommendations of the City of Plano, and with the approval of the ACC. Approval of the system as installed shall be obtained from the applicable authority.

4.13 Water Supply

No individual water-supply system shall be permitted on any Lot.

4.14 Construction Requirements

4.14.1 All buildings shall be of standard masonry construction, which shall be limited to native stone and brick only, and shall be required to have a minimum of seventy-five percent (75%) of the total exterior wall constructed of masonry construction. Hardy board or other similar material shall not be considered masonry. Wood framing on exterior walls is prohibited. Exterior walls facing a porch or patio shall be included in the total wall area calculation. In no case shall the front wall of the structure facing the street be less than one hundred percent (100%) masonry. Fireplace chimneys shall be of 100% masonry construction. At the time any building permit is applied for on any Lot, an "architectural" front elevation shall be submitted to the ACC for approval.

4.14.2 No plumbing or heating vent shall penetrate the roof surfaces facing the street. For Lots backing to perimeter streets, the interior street shall be considered the front of the Lot. Roof material shall be a high quality, laminated, composition shingle of equal to or greater than 240 lbs. Other materials, excluding wood, may include slate, tile, metal, or others approved by the ACC.

4.14.3 Installation of all types of exterior items and surfaces such as address numbers or external ornamentation, mail chutes, mail boxes, and exterior paint and stain, shall be subject to the approval of the ACC. Mailboxes shall be constructed of the same brick or masonry as the main dwelling.

4.14.4 All sidewalks shall be constructed to the City of Plano standards for reinforced concrete sidewalks.

4.14.5 Plans for swimming pools, hot tubs, surrounding decks, fencing, and screening must be approved by the ACC before any clearing, grading, or construction is commenced. All swimming pools and hot tubs must be fenced in accordance with the applicable City of Plano ordinances. No above-ground pool will be approved.

4.14.6 All exterior construction of the primary residential structure, garage, porches, and any other appurtenances or appendages of every kind and character on any Lot and all interior construction shall be completed no later than two (2) years

following the commencement of construction. For the purposes hereof, the term "commencement of construction" shall be deemed to mean the date on which the foundation forms are set.

4.14.7 Driveways must be comprised of exposed aggregate, brick or stone paving, pavestone, or stamped or stained concrete finish.

4.15 Garages and Alley Access

4.15.1 All garage door openings shall be swing entry, and all garage door openings shall face the closest street.

4.15.2 There shall be no alley access.

4.15.3 All garage door exterior façade finishes shall be constructed of a treated wood product.

4.15.4 Garage doors shall remain closed when garages are not in use.

4.15.5 Carports are prohibited.

4.16 Trees, Landscaping, and Sprinkler System

4.16.1 At a minimum, the builder shall sod the front yard with turf grass, install an underground irrigation system that provides 100% coverage of the Lot, and plant a minimum of one (1) tree, which is a minimum of three inches (3") in diameter, on each Lot. Existing trees may count toward the required minimum of one (1) tree. The ACC shall establish an acceptable palette of plant material including groundcover, ornamental trees and canopy trees to be utilized within the neighborhood.

4.16.2 An Owner may, in his or her discretion, remove any tree from his Lot that is located greater than seventy-five feet (75') from the northern property line of Medina Villas as shown on the Plat as long as the removal of any tree does not violate the landscape plan approved by the City as subsequently amended by City ordinance. An Owner may not remove any healthy tree on the Lot, except for any tree which is identified within Section 4.16.2 herein. Furthermore removal of any healthy tree located within seventy-five feet (75') of the northern property line of Medina Villas must be approval by the ACC prior to removal. Owners who own property upon which the tree maintenance easement is located as shown on the Plat shall make every effort to preserve and maintain healthy trees.

4.17 Perimeter Screening – Northern Property Line

4.17.1.1 A wall maintenance easement as depicted on the Plat and referred to therein as "W.M.E." shall be dedicated to the Association. The wall to be erected within the area of the W.M.E. shall be constructed in a manner so as to minimize interference with or removal of any existing tree over three inches (3") in diameter with permit of City of Plano for removal.

4.17.1.2 The W.M.E. shall be maintained by the Association.

4.17.1.3 An eight foot (8') masonry wall shall be located along a portion of the northern property line as depicted within the W.M.E on the Plat (hereinafter referred to as the "Wall").

4.17.1.4 In the event that existing canopy trees located in the parkway adjacent to the northern property line are greater than seventy (70') feet apart, new canopy trees shall be added so that trees located in the parkway are spaced no more than thirty-five feet (35') apart.

4.18 Fences

4.18.1 No fence shall be greater than eight foot (8') in height, landscape planting along fence line visible from the street shall be an integral component, fence design shall blend with other fences, including a transition between varying fence heights, and woven metal or chain link fences are prohibited.

4.18.2 Outdoor "clothes lines" shall be allowed only in a side yard or rear yard that is screened with a solid fence that is a minimum of six feet (6') tall.

4.18.3 Outdoor pools and hot tubs shall be allowed in a rear yard that is screened by a solid privacy fence which is eight feet (8') tall only with prior approval of the ACC. The privacy fence shall be placed in such a way to screen visibility of the pool or hot tub from adjacent neighbor's view.

4.19 Removal of Dirt

Digging dirt or the removal of any dirt from any Lot is prohibited, except as is necessary in conjunction with landscaping or construction of improvements thereon. Minimum finished floor elevations established on the Development Plans for the subdivision and approved by the City of Plano shall be maintained. Any excess dirt generated from construction of the dwelling or landscape construction (i.e. pools) shall be removed from the Property. The Association may at its sole discretion permit excess soil to be disposed of on the Property, however, that approval by the Association shall be in writing. Upon an Owner's or occupant's violation under this Section, the Association may give such person written notice of such violation requiring, within ten (10) days after receipt of such notice, removal of excess soil from the Property or arrangements for the Association to remove such excess soil from the Property. Upon an Owner

or occupant's failure to do so, the Association may enter onto the premises and perform such removal without any liability for damages for wrongful entry, trespass or otherwise to any person. The noticed Owners and occupants (including lessees) shall be jointly and severally liable for the cost of such work (such costs constitute a special assessment as specified in Section 6.05) and shall promptly reimburse the Association for such costs. If such Owner or occupant fails to reimburse the Association within thirty (30) days after receipt of a statement, then said indebtedness shall be a debt of all said persons jointly and severally, and shall constitute a lien against that portion of the Property on which said work was performed.

4.20 Drainage

Neither the Declarant nor its successors or assigns, shall be liable for any loss of, use of, or damage done to, any shrubbery, trees, flowers, improvements, fences, sidewalks, driveways, or building of any type or the contents thereof of any Lot caused by any water levels, rising waters, or drainage waters. After building construction, all Lots will be graded so that surface water will flow to streets, alleys, or drainage ways.

4.21 Utilities

Each residence situated on a Lot shall be connected to the water and sewer lines as soon as practicable after same are available at the Lot line. No privy, cesspool, or septic tank shall be placed or maintained by an Owner upon or in any Lot. The installation and use of any propane, butane, LP Gas or other gas tank, bottle, or cylinder of any type (except portable gas grills), shall require the prior written approval of the ACC. As a condition to such approval, the ACC may require that such tank, bottle, or cylinder be installed underground. Any control boxes, valves, connections, utility risers, or refilling or refueling devices shall be completely landscaped with shrubbery so as to obscure their visibility from the streets within or adjoining the Property or from any other Lot.

4.22 Animals

No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any Lot, except that no more than cumulative three (3) domesticated dogs, cats, or other household pets may be kept, provided they are not kept, bred, or maintained for any commercial purpose. Dogs shall be confined within a fenced area or kept on a leash when allowed outdoors, and when walking within the Medina Villas neighborhood, pet owners are required to pick up after their pet to properly dispose of waste.

4.23 Trucks, Buses, and Trailers

No truck or bus (except a passenger van for personal use), trailer or inoperable motor vehicle shall be left parked in the street in front of any Lot, except for construction and repair equipment while a residence or residences are being built or repaired in the immediate vicinity. No truck, bus (except a passenger van for personal use), boat, trailer, any other recreational vehicle or inoperable motor vehicle shall be parked on the driveway or any portion of the Lot in such manner as to be visible from the street.

4.24 Prohibited Activities

4.24.1 No professional, business, or commercial activity, to include garage sales, to which the general public is invited shall be conducted on any Lot.

4.24.2 Home office uses are allowed as long as they comply with municipal, county and state law.

4.25 Poles, Masts, Antennas, Radio Towers

No poles, masts, antennas, radio towers, or satellite dishes of any type, size, or height shall be installed on any Lot. Satellite dishes may be installed only with prior approval of the ACC.

4.26 Holiday Lighting, Swingsets, and other Recreational Equipment

Swing sets and other permanently affixed recreational equipment are prohibited within twenty feet (20') of the front building setback. Christmas lighting may be installed no earlier than Thanksgiving, and must be removed no later than January 5th. All other decorative lighting intended for a special occasion or celebration is allowed for no more than five (5) days.

4.27 Water Softeners and Air Conditioning Equipment

No water softener shall be installed or used that discharges effluent brine into the sewage system. Location, type, and screening of water softeners and air conditioning units shall be first approved by the ACC before installation or use.

4.28 Maintenance of the Wall

The Wall, including all landscaping and improvements on that portion of the Property located with the W.M.E. as depicted on the Plat and dedicated to the Association, as defined in Section 4.17 herein, shall be maintained by the Association, including but not limited to, the payment of taxes and insurance for that portion of the Property located within the W.M.E., the cost of repairs, replacement and additions thereto, the cost of labor, equipment and materials required for such maintenance, and management and supervision of the Wall and that portion of the Property located within the W.M.E.. If the Association or its Board fails or refuses to maintain the Wall and that portion of the Property located within the W.M.E. for a reasonable time not to exceed thirty (30) days after written notice to do so, the City of Plano by and through its City Manager or designee shall have the same right and authority granted herein to the Association and its Board to enforce these Covenants and levy assessments necessary to maintain the Wall and that portion of the Property located within the W.M.E.. In such event, the Association, Board, and Owners, indemnify and hold harmless the City of Plano from any and all costs, expenses, suits, demands, liabilities or damages including attorney fees and costs of suit, incurred or resulting from the city's maintenance of the Wall and that portion of the Property located within the W.M.E. and/or removal of any landscape systems, features, or elements that cease to be maintained by the Association.

ARTICLE FIVE
EASEMENTS

5.01 Ingress and Egress by Association

Easement over the Lots to install and maintain electric, telephone, cable television, fence(s), water, natural gas and sanitary sewer lines and drainage facilities are reserved by Declarant, together with the right to grant and transfer same. Right of use by the Declarant or the Association for ingress and egress shall be available at all times over any dedicated easement or alleyway for purposes of installing, operating, maintaining, repairing, or removing any utility or any obstruction placed in such easement or alleyway that would interfere with the installation, maintenance, operation, or removal of such utility. The Association shall take reasonable measures upon entry to any Lot to cause as little inconvenience to the Owner as practical and the Association shall repair any damage at its expense that it causes by such entry, excepting any damages caused by the Owner.

5.02 General

Each Owner's rights and duties with respect to sanitary sewer, water, electricity, telephone and cable television lines and drainage facilities is governed by the following:

5.02.1 Wherever sanitary sewer and/or water service connection, natural gas, electricity, telephone, or cable television lines or drainage facilities are installed within the Property, which connection lines or facilities or any portion thereof lie in or upon Lots owned by any party other than the Owner of a Lot served by said connections, lines or facilities, such Owners of Lots served shall have the right, and are granted an easement to the full extent necessary therefore, to enter upon the Lots within the Property within or upon which aid connections, lines, or facilities or any portion there lie to repair, replace and generally maintain said connections as and when the same may be necessary.

5.02.2 Wherever sanitary sewer and/or water service connections, natural gas, electricity, telephone or cable television lines or drainage facilities are installed within the Property, which connections serve more than on Lot, the Owner of each Lot serviced by said connections shall be entitled to the full use and enjoyment of such portion of said connections which service such Owner's Lot(s).

5.03 Underground Electrical System

An underground electricity distribution system shall be installed to serve all Lots in the subdivision. The Owner of each Lot, at the Owner's cost, shall furnish, install, and maintain (all in accordance with the requirements of local governmental authorities and the National Electrical Code) an underground service cable and appurtenances from the meter installed on the Lot by the electric company to such point as may be designated by the company on the property line of the Lot. The company furnishing electric service shall make the necessary connection at the property line and at the meter. Each Owner, at the Owner's cost, shall install, furnish, and

maintain a meter loop (in accordance with then-current standards and specifications of the electric company) for the residence constructed on the Lot.

ARTICLE SIX
ASSESSMENTS

6.01 Creation of the Lien and Personal Obligation of Assessments

Declarant covenants and agrees, and each Owner and Member (referred to in this section as "Owner") shall be deemed to covenant and agree, to pay the Association: (1) annual maintenance assessments or charges; (2) special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided; and (3) individual special assessments against Owners to reimburse the Association for extra costs for maintenance and repairs caused by the willful or negligent acts of the individual Owner and not caused by ordinary wear and tear. The annual, special capital, and special individual assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall constitute both a personal obligation of the Owner and a continuing lien upon the Owner's Lot against which each such assessment is made.

6.02 Purpose of Assessments

Assessments shall be used exclusively to promote the health, safety, welfare and enjoyment of the Owners, and in particular for the improvement and maintenance of the Wall. Assessments may be applied to the repair, replacement and additions to the Wall, and to the cost of labor, equipment, and materials required for maintenance of the Wall. Assessments may also be applied to the cost of executing the duties of the Board as set forth in Article Seven, and to expenses incurred by the Association to perform its duties as stated in its Certificate of Formation.

6.03 Improvement and Maintenance of the Wall Prior to Conveyance to the Association

6.03.1 Declarant's Responsibilities

Declarant shall assume all duties and responsibilities of the Association, including but not limited to, the cost of taxes and insurance in connection with the Wall, the cost of repairs, replacements and additions, labor, equipment (including the expense of leasing any equipment) and materials required to maintain the Wall, and management and supervision of, the Wall, until such date title to the Wall is conveyed to the Association. Until such time as title to the Wall is conveyed to the Association, all assessments, both annual and special, collected by the Association (less such amount required for the operation of the Association) shall be paid to the Declarant, to the extent that such assessments are required by Declarant to maintain the Wall as set forth in this Article Six.

6.03.02 Maintenance Reserve Fund

Pursuant to City of Plano ordinance, prior to the transfer of the control of the Association to the Lot Owners, the Declarant must provide a reserve fund equivalent to two months' dues based on full Association membership, said account to be established

upon the recording of these Covenants. The funds deposited into this account shall be held and used specifically for the repair, replacement and maintenance of the Wall and any amenities on that portion of the Property located within the W.M.E., including all utilities related to the property, amenities and/or storm water controls to be owned by the Association. If the Declarant fails or refuses to maintain the Wall and that portion of the Property located within the W.M.E. for a reasonable time not to exceed thirty (30) days after written notice to do so, the City of Plano may enforce these Covenants pursuant to Section 4.28 herein, and shall receive the same indemnities set forth in Section 4.28 herein.

6.03.03 Association Activation

Pursuant to City of Plano ordinance, concurrent with the transfer of the Association, the Declarant must transfer to the Association control over all utilities related to property, amenities and/or storm water controls to be owned by the Association. The Declarant must also disclose to the Association the total cost to date related to the maintenance of the Wall and any amenities on that portion of the Property located within the W.M.E..

6.04 Basis and Amount of Annual Maintenance Assessments

6.04.1 An annual budget is to be prepared based on the nature and number of any replaceable assets which the Association owns or is otherwise responsible, the expected life of each asset, and the expected repair, replacement, or maintenance costs for each.

6.04.2 As of January 1, 2013, the initial annual assessment chargeable against any Lot for which a full assessment is payable shall be SIX HUNDRED DOLLARS ($600.00), and the maximum assessment chargeable against any Lot shall not exceed $2,000 per annum. The Board may not increase the maximum annual assessment more than twenty-five percent (25%) above the maximum annual assessment for the previous year unless otherwise approved by a majority vote of the Owners without proration. The annual assessment shall be due each year on January 1, and billed accordingly. Any sale or transfer of such lot subject to the CC&R's shall incur a fee for transfer and issuance of a certificate of compliance and no liens, which is due and payable upon the transfer. All initial purchasers shall be assessed the full $600 upon purchase of any lot, as no proration occurs between the Developer, Medina Villas, LLC and first purchasers. Any assessment unpaid at the time of purchaser's transfer or sale shall be assessed to the seller, and prorated to the buyer.

6.04.3 The Board shall establish the amount of annual assessments based on the annual budget at its annual meetings. The Board may fix the assessment at an amount equal to or less than the then-existing maximum annual assessment.

6.04.4 The Board shall send written notice of the annual assessment to every Owner.

6.05 Special Assessments for Capital Improvements and Special Individual Assessments

6.05.1 In addition to the annual assessments authorized by Section 6.04 hereof, the Association may levy in any assessment year a special capital assessment for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair, or replacement of the Wall or a capital improvement upon the Property located with the W.M.E. as designated on the Plat, including the necessary fixtures and personal property related thereto. Except as provided in Section 6.04, any such assessment that exceeds $2,000 per Lot per calendar year shall be approved by a majority vote of the Board.

6.05.2 Upon a majority vote of the Board, the Association may levy special individual assessments against individual Owners for reimbursement for repairs occasioned by the willful or negligent acts of such individual Owners.

6.06 Uniform Rate of Annual and Special Capital Assessments

Except as otherwise provided in Sections 6.04 and 6.05, both annual and special capital assessments must be fixed at a uniform rate for all Lots payable as set forth in Sections 6.04 and 6.05.

6.07 Date of Commencement of Assessments; Due Dates

6.07.1 As of the date of sale of any Lot by Declarant, an annual assessment shall be chargeable retroactive to January 1 of the year in which the Lot is sold and immediately due and payable, with the next annual assessment chargeable against the Lot upon January 1 of the year subsequent to sale of the Lot. By way of example, if Owner purchases a Lot on December 20 of Year 1, he will owe upon purchase the annual assessment due and payable as of January 1 of Year 1. In addition, his Lot will be charged with an annual assessment becoming due and payable as of January 1 of Year 2.

6.07.2 The Board must prepare a roster of the Lots and their respective assessments which shall be kept by the Association. Written notice of the assessment shall be delivered or mailed to every Owner.

6.07.3 The Declarant may establish, collect, and enforce annual, special capital, and special individual assessments at any time prior to the incorporation of the Association.

6.07.4 The unpaid amount of any overdue assessment may be subject to a late charge. Any assessment not paid within 15 days after it is due is delinquent.

6.07.5 A late charge of $20.00 is assessed for delinquent payments. Delinquent assessments accrue interest at the rate of eight percent (8.00%) per year. The Board may change the late charge and the interest rate.

6.07.6 The Owner is liable to the Association for all costs and reasonable attorney fees incurred by the Association in collecting delinquent assessments, foreclosing the Association's lien, and enforcing the Governing documents.

ARTICLE SEVEN
ASSOCIATION

7.01 Creation

7.01.1 The Association is primarily established to promote and enforce an aesthetic quality and standard applicable to the entire Property, and to maintain the various open spaces, the Wall, any landscaping and irrigation system located within the area designated as W.M.E. on the Plat, decorative fencing and similar components that contribute to the common good of all Owners.

7.01.2 Each Owner of a Lot, including Declarant, shall automatically be a member of the Association. Association membership shall be appurtenant to ownership of a Lot. No tenant shall be eligible for Association membership. Ownership of a Lot is the sole criterion for membership in the Association.

7.02 Transfer of Membership

Association membership shall be transferred to the grantee of a conveyance of a Lot in fee. Membership shall not be assigned, pledged, or transferred in any other way. Any attempt to make a prohibited transfer shall be void.

7.03 Management of Association

The Association shall be incorporated as a nonprofit corporation prior to conveyance of title and responsibility for maintenance of the Wall from Declarant to the Association. The Association shall be managed by the Board pursuant to the procedures set forth in the Association's certificate of formation and bylaws, subject to this Declaration.

7.04 Classes of Membership, Membership Voting, and Meetings

7.04.1 Class A Members shall be all Members with the exception of Class B members. Class A Members are entitled to one vote for each Lot in which they hold the interest required for membership. In no event shall more than one vote be cast with respect to any Lot owned by a Class A Member.

7.04.2 Class B Members are the Declarant and any bona fide Owner who is engaged in the process of constructing a residential dwelling on any Lot for use as his primary residence or a bona fide Owner who does not use the Lot as his primary

residence. Declarant is entitled to three (3) votes for each Lot owned by a Class B Member, including the Declarant's own Lot. Class B Members other than the Declarant are non-voting members of the Association. A Class B Member shall automatically become a Class A Member upon the completion of construction of a residential dwelling for use as the Member's primary residence (e.g. obtaining a certificate of occupancy) on such Member's Lot.

7.04.3 The Association shall hold at least one annual meeting. At that meeting, the Owners shall vote on any matters the Board chooses to place before the membership, and discuss any matter of Association business that the Board or any Owner wishes to bring before the entire membership. Except as specifically set forth in this Declaration, notice, voting, and quorum requirements for all action to be taken by the Association (as an incorporated entity) shall be consistent with its Certificate of Formation and Bylaws.

7.05 Duties and Powers of Board

Through the Board, the Association shall have the following powers and duties:

(a) To adopt rules and regulations to implement these Covenants and the Association's bylaws.

(b) To enforce these Covenants, the bylaws, its rules and regulations.

(c) To elect officers of the Board and appoint members of the ACC when that power transfers to the Board.

(d) To delegate its powers to committees, officers, or employees.

(e) To prepare a balance sheet and operating income statement for the Association and deliver a report to the membership at its annual meeting.

(f) To establish and collect regular assessments to defray expenses attributable to the Association's duties, to be levied against each Owner, including Declarant.

(g) To establish and collect special assessments for capital improvements or other purposes.

(h) To file liens against Owners because of nonpayment of assessments duly levied and to foreclose on those liens.

(i) To receive complaints regarding violations of this Declaration, the bylaws, or the rules and regulations.

(j) To hold hearings to determine whether to discipline Owners who violate this Declaration, the bylaws, or the rules and regulations.

(k) To give reasonable notice to all Owners of all annual meetings of the membership and all discipline hearings.

(l) To hold regular meetings of the Board at least quarterly.

(m) To manage and maintain the Wall in a state of high quality and in good repair.

(n) To pay taxes and assessments that are or could become a lien on the Wall and the area within which it is located designated on the Plat as the W.M.E..

(o) To pay the costs of any liability insurance and fire insurance applicable to the Wall and the area within which it is located designated on the Plat as the W.M.E. and any liability insurance for members of the Board.

ARTICLE EIGHT
GENERAL PROVISIONS

8.01 Duration

These Covenants are designed to protect the value and desirability of the Property. Consequently, they shall run with the Property and shall bind all parties having any right, title, or interest in the Property in whole or in part, and their heirs, successors, and assigns. The Covenants shall be for the benefit of the Property, each Lot, and each Lot Owner, and are enforceable by the Association and/or any Owner, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date that this Declaration is recorded in the office of the County Clerk of Collin County, Texas. Upon the expiration of twenty-five (25) years, these Covenants shall be automatically extended for successive periods of ten (10) years subject to termination by an instrument signed by more than fifty percent (50%) of the Owners and approved by written consent from the City of Plano.

8.02 Amendments

These Covenants may be amended by an instrument signed by more than sixty six percent (66%) of the Owners. Neither any amendment nor any termination shall be effective until all requisite governmental approvals have been obtained, and the amending or terminating instrument is recorded in the Office of the County Clerk of Collin County, Texas. The Declarant may execute and record amendments to this Declaration without such consent or approval if the amendment is for the purpose of correcting technical or typographical errors or for clarification only.

8.03 Enforcement

Enforcement of these Covenants shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate them, or to recover damages, or to enforce any lien created by these Covenants. Failure by the Association or any Owner to enforce any of these Covenants shall not waive their rights to bring enforcement action either with

respect to the violation in question or any other violation. All waivers must be in writing and signed by the party to be bound.

8.04 Indemnity

The Association shall indemnify, defend and hold harmless the Declarant, Board, ACC, and each director, officer, employee and agent of the Declarant, Board and ACC from all judgments, penalties, fines, settlements, attorney fees and reasonable expenses incurred by such indemnified person under or in connection with this Declaration or the Property to the fullest extent permitted by applicable law. Such indemnity shall include matters arising as a result of the sole or concurrent negligence of the indemnified party, to the extent permitted by applicable law.

8.05 Severability

Invalidation of any one of these Covenants or Restrictions by judgment or court order shall in no wise affect any other provision, and all other provisions shall remain in full force and effect.

8.06 Headings

The Headings in this Declaration are for reference purposes only and shall not in any way affect the meaning or interpretation of this Declaration.

8.07 Notices to Owners

Any notice required to be given to any Owner under the provisions of this Declaration shall be deemed to have been properly delivered when deposited in the United States mail, postage prepaid, addressed to the last known address of the person who appears as an Owner on the records of the Association at the time of such mailing.

8.08 Notices to Mortgagees

If a holder of a mortgage on a Lot shall notify the Association of its address and the identity of the Lot and Owner covered by and granting such mortgage, then such holder(s) shall be entitled to receive written notification from the Association of any default by the respective mortgagor/Owner in the performance of such mortgagor's/Owner's obligations(s) as established by this Declaration.

8.09 No Warranty of Enforceability

Declarant makes no warranty or representation as to the present or future validity or enforceability of these Covenants. Any Owner acquiring a Lot in reliance on one or more of these Covenants shall assume all risks of the validity and enforceability thereof and, by acquiring the Lot, agrees to hold Declarant, the Association, the Board and the ACC harmless therefrom.

8.10 Right of Enforcement

The failure by Declarant, the Association, the Board or ACC to enforce any provision of these Covenants shall in no event subject Declarant, the Association, the Board, or ACC to any claims, liability, costs or expense; it being the express intent of these Covenants to provide

Declarant with the right, to be exercised in its sole discretion, but not the obligation to enforce the terms of these Covenants for the benefit of the Owners.

8.11 Disputes

Matters of dispute or disagreement between Owners with respect to interpretation or application of the provisions of this Declaration or the Association Bylaws, shall be determined by the Board, whose reasonable determination shall be final and binding upon all Owners. This Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the Property.

8.12 Termination

In the event of substantial total damage, destruction, or public condemnation of Medina Villas, an amendment to terminate must be approved by owners of at least two-thirds of the Lots. In the event of public condemnation of the entire Property, an amendment to terminate may be executed by the Board without a vote of the Owners. In all other circumstances, an amendment to terminate must be approved by owners of at least eighty percent (80%) of the Lots. Any termination of this Declaration and the status of Medina Villas as a planned unit development must be approved by written consent of the City of Plano as evidenced by a resolution adopted by the City Council and signed by then duly acting Mayor of the City of Plano.

8.13 Attorney Fees

If any controversy, claim, or dispute arises relating to this instrument, its breach, or enforcement, the prevailing party shall be entitled to recover from the losing party reasonable expenses, attorney fees, and costs. If mediation is initiated, the Owner shall pay 100% of mediation costs.

[The rest of this page is left blank intentionally.]

IN WITNESS WHEREOF, the Declarant, MEDINA VILLAS, LLC, has caused this instrument to be executed as of this 18 day of February, 2013, at Plano, Texas.

DECLARANT:

Medina Villas, LLC,
A Texas limited liability company

By: _____
Sammy Jibrin, President

ACKNOWLEDGMENT

STATE OF TEXAS §
§

* OWNER'S CERTIFICATE *

STATE OF TEXAS §

COUNTY OF COLLIN §

WHEREAS, MAJESTIC CASS, INC. is the owner of a tract of land situated in the Samuel Leddetter Survey, Abstract No. 548, City of Plano, Collin County, Texas, and being all of a tract of land described in the deed to Majestic Cass, Inc. filed for record under Collin County Clerk File Nos. 20080828001000570, Official Public Records, Collin County, Texas (OPRCCT), and being more particularly described as follows:

BEGINNING at an "X" set found (Controlling Monument) on top of a concrete headwall and being on the an easterly right-of-way line of the Dallas Area Rapid Transit (DART) right-of-way (Variable Width) as filed in Volume 4, Southeastern Railroad Co. Deed Records (SRRCDR), Page 1, Plat Records, Collin County, Texas, and being the northwest corner of Lot 1, Block A, Erik Plano Medical Center, an addition to the City of Plano, Collin County, Texas, according to the plat filed for record in Volume 2005, Page 500, Plat Records, Collin County, Texas;

THENCE North 00° 00' 00" East (Basis of Bearings - Volume 2005, Page 500), along the common line of said 4.57 acre tract and said Lot 1, Erik Plano Medical Center, a distance of 600.04 feet, to a 1/2 inch iron rod found on the northeast corner of said 4.57 acre tract and the southeast corner of said Lot 1, Erik Plano Medical Center, said line also being the southwest corner of the remnant tract of land conveyed to the State of Texas (Tract 1) in deed under the County Clerk File No. 95-0062156, OPRCCT, and being on the southerly right-of-way line of Interstate Highway No. 635 (also known as U.S. Street) (a variable width public right-of-way);

THENCE South 89° 59' 00" East, along the southerly line of said City of Plano tract and the southerly right-of-way line of said State of Texas tract, 58.59 feet, a distance of 0.1 of a foot, to a 1/2 inch iron rod found with a cap stamped "Pacheco" on the west line of a 15-foot Public Utilities Easement, an addition to the City of Plano (Erik Plano), Texas, according to the plat filed for record in Volume 10, Page 100, PRCCDCT, and being in the southeast corner of said 4.57 acre tract;

THENCE South 00° 00' 00" West, along the common line of said 15-foot Public Utilities Easement and said 4.57 acre tract, and the southwest corner of said 15-foot Public Utilities Easement and being on the northerly right-of-way line of the Missouri-Kansas-Texas (M.K.T. Railroad), from which an "X" found iron pipe bears South 00° 00' West a distance of 0.84 foot;

THENCE North 77° 15' 00" West, along the northerly line of said M.K.T. Railroad, a distance of 40.11 feet, to the POINT OF BEGINNING, and containing 4.0101 acres (175,599 square feet) of land, more or less.

* OWNER'S DEDICATION *

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

THAT MAJESTIC CASS, INC. acting herein by and through its duly authorized officers, does hereby adopt this plat designating the hereinabove described property as MEDINA VILLAS, an addition to the City of Plano, Texas, and does hereby dedicate, in fee simple, to the public use forever, the streets and easements shown thereon. The streets and alleys are dedicated for street purposes. The easements and public places are dedicated for the public use forever, for the purposes indicated on this plat. No buildings, fences, trees, shrubs, or other improvements or growths shall be placed in, upon or over the easements as defined herein, but shall be permitted to pass through the easements as may be deemed by the City of Plano, in its sole discretion, as not interfering with or endangering the operation, maintenance, or efficiency of its respective systems in said easements. The City of Plano and public utility entities shall at all times have the full right of ingress and egress to or from their respective easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining, reading meters, and doing anything in or concerning all or any portion of their respective systems without the necessity at any time of procuring permission from anyone.
